Howth

Contemporary in style down to the floor frame, Holbourne is elegant in proportions, providing a look which gives the feeling of being similar to many of its overscaled alternatives, without actually being so excessive. Numerous configurations can be created, from standard sofa sizes, through to a lounge sofa, or two-corner-one sofa.

However, the model still provides exceptional seating depth and comfort, provided by sumptuous fibre filled seat interiors. Foam interior upgrades are available as a cost option. The model is also characterised by self-piping to all seat & back cushions, as well as the well-appointed box boarder scatters, providing an overall feel of a considered finish.
